

Theory Assignment 2

Question No. 01

Problem link: [SPOJ FARIDA](#)

- | | |
|---|----|
| 1. Explain the time and space complexity | 5 |
| 2. Demonstrate the recursive tree for the following sample I/O | 10 |
| 3. Make the table/array/list made in tabular form for the following sample I/O | 10 |

Input:

5

1 2 3 4 5

Output:

9

Answer No. 01

Question No. 02

Problem link: [SPOJ Blueberries](#)

- | | |
|---|----|
| 1. Explain the time and space complexity | 5 |
| 2. Demonstrate the recursive tree for the following sample I/O | 10 |
| 3. Make the table/array/list made in tabular form for the following sample I/O | 10 |

Input:

5 100

50 10 20 30 40

Output:

90

Answer No. 02

Question No. 03

Problem link: [Codeforces Boredom](#)

- | | |
|---|----|
| 1. Explain the time and space complexity | 5 |
| 2. Demonstrate the recursive tree for the following sample I/O | 10 |
| 3. Make the table/array/list made in tabular form for the following sample I/O | 10 |

Input:

5

3 3 4 5 4

Output:

11

Answer No. 03

Question No. 04

Problem link: [LightOJ Monkey Banana Problem](#)

- | | |
|---|----|
| 1. Explain the time and space complexity | 5 |
| 2. Demonstrate the recursive tree for the following sample I/O | 10 |
| 3. Make the table/array/list made in tabular form for the following sample I/O | 10 |

Input:

4

7

6 4

2 5 10

9 8 12 2

2 12 7

8 2

10

Output:

63

Answer No. 04
